**Sixth Sunday in Ordinary Time
February 12, 2012**

Whether you eat or drink, or whatever you do, do everything for the glory of God.

— 1 Corinthians 10:31

DEAR FELLOW PARISHIONERS

Tomorrow, February 13th, all the priests of the diocese will gather with representatives from every parish in the diocese to celebrate a Mass of welcome for Bishop Flores as our new coadjutor bishop (with right of succession) of the diocese of San Diego. While his appointment took affect immediately upon its announcement, he has been largely in his home diocese preparing and moving to San Diego. This Mass will mark the beginning of his full time ministry to the Diocese of San Diego.

Bishop Flores is known to be a holy man, and a man with a joyful spirit. He was a practicing lawyer for ten years before he entered St. John's Seminary, in Camarillo, California, to begin his studies for the priesthood. Before coming to San Diego, he was Auxiliary Bishop in the Diocese of Orange. His personal warmth and innocent spirit will surely capture the hearts of all the Church in San Diego. The priests of the Diocese of Orange tell us that we are lucky to be getting Bishop Flores as our new Bishop. Let us all lift him up in prayer, and pray that God sustains him and guides him in his ministry as chief shepherd of our diocese.

Next weekend, Fr. Bruce will be speaking at all the masses about the Annual Catholic Appeal. He is going to be taking a slightly different approach to its presentation than Monsignor did. One thing I know he can depend upon is the generosity of the people of St. Therese Parish. We have never failed to make our annual goal. Not everyone can afford to donate the same amount; but, we all can afford to donate something, especially to a cause as worthy as the Annual Catholic Appeal which funds so many of the programs and institutions that we depend on; Catholic Charities is just one example.

I've been asked to advise you that the Parish Office will no longer be open on Sunday mornings. So if you, or an organization you are affiliated with, are going to need keys to access any of the parish facilities on Sundays, DON'T wait until Sunday morning to try and get keys. Keys will have to be procured BEFORE Sunday. California Labor Laws will no longer permit us to employ students under 18 to work in the office without adult supervision. While it's a reasonable law, it makes our long-standing tradition of offering part-time jobs to St. Therese students to work in the office no longer possible. We apologize for any inconvenience this may cause you. In an emergency, the answering service should be able to contact one of the priests (eventually). **Please remember to plan ahead!**

May God bless you abundantly this coming week, and may all you encounter see in you the reflection of Christ within you.
