

What brought you to RCIA?

I was born and raised in a Catholic family and have always wanted to receive confirmation and came to a point in my life where I could finally do so. Dotti, of course, made the entire process wonderful!

What did you find/experience while in RCIA?

I experienced entering a new family, a community of trust, true faith, and full of people who really care.

Why would you recommend RCIA to someone?

I would recommend RCIA to others because of the circle that is built during the process, a process that allows one to be true to oneself in a place where you are not judged by others, only supported.

J'Anna Howland

What brought you to RCIA?

I wanted to learn more about the Catholic religion and to convert.

What did you find/experience while in RCIA?

RCIA was great! I have learned so much and I am still learning from the class, Dotti especially, and all the team members. I felt at home, comfortable and not afraid to come to class. I was treated the same just like everyone else, and that made me feel real good.

Why would you recommend RCIA to someone?

I would recommend this to everyone who wants to know more about the religion.
